Enrolling in Math 31A: Differential & Integral Calculus

In order to enroll in Math 31A, one of the following two conditions must be met:

- The student's test result for the MDT is at least 60% correct (at least 36 out of 60); OR
 - The student has UC, community college, or specific transfer credit for Precalculus, Math 1, with a grade of C- or better.
-
