

Announcements about the final exam

Location: The final will be in our usual classroom.

Time: **Tuesday, June 10, 3:00-6:00**, as listed in the Schedule of Classes.

Conditions: Closed book; calculators optional; bring a ruler if you wish. Follow seating instructions if given.

Coverage: All lectures; all homework; all handouts, but not including subtopics never mentioned in homework or lecture. You are responsible both for problems handed in and the problems assigned but not to hand in.

Style: Like the sample final, with 120 points. No bluebooks needed.

Reading from text: Just the sections from which problems were assigned. Use the problems as a guide.

Work handed in: Please check My UCLA after Saturday to verify that you have received credit for the homework and labs that you handed in, especially if you handed in a lab later than I might have expected.

Office hours exam week: Monday 3:00-4:00 as usual.
