VISITATION OF EXPERIENCED TA

Your name: __________________________  Experienced TA: __________________________
Course: _____________________________  Date: ________________________________

• Give a brief summary of the topics discussed in section.

• Presentation
  – How did the TA convey this information effectively?

  – What tools did they use (e.g., colored chalk, diagrams, projector)? Are there other tools they could have used for this particular lesson?

  – How did the pace of the lesson seem? Were you surprised by the pace?

  – How did the TA organize the board? How much of what was said was also written down?

  – Describe the TA’s demeanor. Did s/he seem excited? Animated? Enthusiastic?

• Interaction with students
  – Were the students engaged? What techniques did the TA use to keep students engaged?

  – Did the TA provide all details of the problems being discussed? Why or why not?

  – How often did the TA solicit questions? In what ways did the TA solicit questions? How long did the TA wait for responses?

• Other thoughts/things you noticed?
