

Math 131A Lecture 2 Homework 6 (Revised) – Due May 8

Note: Group work is permitted on the homework provided that each person writes their own answer in their own words. However, to obtain any major benefit from the homework, it is recommended that the student spend significant time and effort attempting each problem before collaborating or seeking help from the teacher/teaching assistant/other students.

From the textbook:

Section 9: 9.9c

Section 11: 11.2,11.5,11.7

Section 14: 14.1,14.5,14.6,14.7
