

MIDTERM INFORMATION

The examination will be at 11:00 on Friday, February 4. It will be held in

Botany 325

and **not** the usual lecture room.

It is a closed book examination. You will work entirely on the examination paper, no scratch paper is permitted, so you will need to bring to the examination nothing but a pencil.

The examination will cover the material of the course through Section 6.2.1. There are 5 questions on the exam, each worth 20 points.

Professor Brown's office hours during the week of October 31 will be:

Monday 1 – 3, Tuesday 10 – 11, Thursday 1 – 3

The Thursday office hours will be held in Math Sci 6221.

A sample exam has been posted on the class Web site. The sample exam solutions will be posted a few days before the exam.

The solutions to the exam questions will be posted after the exam on the course Web site.
