
Jinling High School is hiring recent UCLA graduates to serve as Program Teacher Aides for the Jinling-UCLA Global Classroom program in Nanjing, China. The position lasts from late August 2014 to early June 2015.

Jinling High School’s International Program prepares Chinese High School students for study abroad in American Universities. UCLA Global Classroom partners with Jinling to provide students the opportunity to enroll in introductory, UCLA Extension courses in the Social Sciences taught by UCLA lecturers.

The Teacher Aide will work with Jinling and UCLA Global Classroom teachers and staff to aid students with program academic content. The work will include approximately 12-15 class hours plus office hours and participation in school activities. Teacher Aides will help students with academic reading, writing and presentation as well as critical thinking and analysis.

Jinling High School and UCLA Global Classroom provide staff to assist our academic personnel in both the academic and life environments. We have extensive experience operating in China and 2014-2015 will be our 5th year in operation at Jinling High School.

Jinling High School (as well as housing) is conveniently located in the heart of downtown Nanjing with convenient walking and public transportation options.
