The examination will be 3:00 to 6:00 on Thursday, December 8. It will be held in

**MS 6229**

It is a closed book examination. You will work entirely on the examination paper, no scratch paper is permitted, so you will need to bring to the examination nothing but a pencil.

There will be 10 questions, each worth 20 points. Two of the questions will be proofs. The exam is based on all of the material in the course, but seven of the problems will be on material covered since the midterm (Chapters 11 and 14).

Dr. Curran will hold office hours on Wednesday, December 7 from 11-1 and 2-4.

A sample exam is available on the class web site. The solutions to the sample exam will be posted a few days before the exam.

The solutions to the final exam questions will be posted on the course web site after the exam.
