

MATHEMATICS/APPLIED SCIENCE B.S.

INDIVIDUAL PLAN

PRE-MAJOR: 8 COURSES

Students can declare the pre-major at any time while in good academic standing.

	Quarter	Grade
MATH 31A*	_____	_____
MATH 31B*	_____	_____
MATH 32A*	_____	_____
MATH 32B*	_____	_____
MATH 33A*	_____	_____
MATH 33B*	_____	_____
MATH 11 or 61*	_____	_____
PIC 10A*	_____	_____

*The mathematics sequenced courses are calculated separately from the other preparation for the major courses and must be completed with a minimum overall 2.5 grade-point average and a grade of "C" or better in each course. Repetition of more than two mathematics sequenced courses, or of any mathematics sequenced course more than once, results in automatic dismissal from the major.

THE MAJOR: 14 COURSES

Students must declare the major before reaching 160 units (not including AP units).

Seven upper division mathematics courses chosen from: MATH 106–199:

	Quarter	Grade
1. MATH 115A ⁺	_____	_____
2. MATH 131A ⁺	_____	_____
3. _____	_____	_____
4. _____	_____	_____
5. _____	_____	_____

One 2-quarter mathematics sequence:

6. _____	_____	_____
7. _____	_____	_____

Seven upper division courses chosen from 1-2 related fields:

	Quarter	Grade
1. _____	_____	_____
2. _____	_____	_____
3. _____	_____	_____
4. _____	_____	_____
5. _____	_____	_____
6. _____	_____	_____
7. _____	_____	_____

⁺Students must pass this course with a "C-" or better. It is strongly recommended that students take MATH 115A as one of their first upper division courses before MATH 131A.

All required courses for the major must be at least 4.0 units and taken for a letter grade, unless the class is a supplement to a larger course (e.g. a required lab).
