Last Updated:

* There are <u>no "positions"</u> on this list. If a student with higher priority suddenly requests the class, we will enroll the student if there is room.

** We will <u>only contact</u> students if their priority comes up when someone drops.

** **"Open" means students can enroll themselves in the class** if they meet the course prerequisites. If they do not, please ask the instructor permission to enroll into the class. Forward that email to ugrad@math.ucla.edu with your name, student ID number and request and we will manually enroll you if there is still room.

*** We will not increase enrollment if other lectures of the same class are Open.
