11th Annual Career Fair Firm Information Sheet | October 8, 2018

Beam was founded in 2012 by three engineers who saw the opportunity to build a more accessible and affordable dental insurance product. The Beam Brush, which launched the company, was one of the earliest examples of the ‘Internet of Things’, where everyday objects can enable incredible new understanding and capability. Beam Dental today has parlayed its early engineering chops into the fastest growing dental insurance company in the US, with a mission to provide the world’s best dental plan and close the gap on the 100 million Americans who don’t have dental insurance today.

Joining Beam Dental Means:

- Working for a complex and provocative business, simultaneously an insurance, consumer mobile, manufacturing, dental services, digital health, Internet of Things, and consumer packaged goods startup
- Being challenged to improve every day by a diversely skilled team
- An active, intense, and fun work environment
- Being a decision maker about your product domain
- Joining in our mission to forever change the way people access dental services
- Loving what you do every day

The California Department of Insurance (CDI) was created in 1868 as part of a national system of state-based insurance regulation. The insurance market place has changed dramatically over time, but consumer protection continues to be the core of CDI's mission. Today, CDI is the largest consumer protection agency in the state. With annual direct premiums of \$288 billion, California is the largest insurance market in the United States and the sixth largest insurance market in the world.

Nearly 1,400 dedicated employees work at CDI to oversee more than 1,300 insurance companies and license more than 400,000 agents, brokers, adjusters, and business entities. In the normal course of business, CDI annually processes more than 8,000 rate applications, issues approximately 190,000 licenses (new and renewals) and performs hundreds of financial reviews and examinations of insurers doing business in California. CDI annually receives more than 170,000 consumer assistance calls, investigates more than 37,000 consumer complaints and, as a result, recovers more than \$84 million a year for consumers. CDI also annually receives and processes tens of thousands of

referrals regarding suspected fraud against insurers and others and conducts criminal investigations resulting in thousands of arrests every year.
