

## Bruin Actuarial Society

Fifteenth Annual Actuarial Career Fair | October 10, 2023

### Firm Information Sheet

Beam is a late-stage IOT insurtech startup having raised over \$200 million in venture funding to date. As the fastest growing dental benefits company in the world, Beam is quickly expanding to other employer benefits such as vision, life & disability, as well as other markets in dental. Beam's actuarial department focuses most of its efforts in research & development. This includes (but is not limited to) automation of underwriting processes and merging modern machine learning techniques with traditional actuarial approaches.

Recruitment: Both internships and full-time applications are available from now until the end of year. They will be filled on a first serve first come basis. Please email your resume to [dillon.leduc@beambenefits.com](mailto:dillon.leduc@beambenefits.com) along with which position (internship/full-time) to get started!

Office Locations: Beam's HQ in Columbus, OH, but we are now a remote first company so you can work anywhere within the US. Most of our actuarial team is based in CA at the moment.

For more than 80 years, Blue Shield of California has been dedicated to transforming health care by making it more accessible, cost-effective, and customer-centric. We are a not-for-profit health plan with 7,300 employees, \$24 billion in annual revenue, and 4.8 million members, and we are proud to have invested over \$97 million in California communities over the last 3 years through the Blue Shield of California Foundation.

As health care continues to evolve, we're looking for people who are passionate about bringing meaningful change. We want you to help transform our industry and achieve our mission to ensure that Californians have access to high-quality health care at an affordable price.

If you're interested in learning more about our mission and values, please visit

<https://www.blueshieldca.com/about/corporate-info/mission-values>.

Recruitment: We offer a comprehensive 10-week summer internship program as well as entry-level roles. Recruiting begins now, and students are encouraged to apply on our career site at [www.blueshieldca.com/careers](http://www.blueshieldca.com/careers).

Office Locations: Blue Shield employees can be found all across California working in both hybrid and remote roles. Our corporate headquarters are located in Oakland, but we have several offices spread throughout the state, from San Diego and Los Angeles up to Oakland and Sacramento.

Centene Corporation is the largest Medicaid managed care organization in the country, providing our members access to affordable healthcare plans. Ranked No. 25 on the 2023 Fortune 500 list, our purpose of transforming the health of our communities is achieved through a commitment to local partnerships, which help us provide better health outcomes at lower costs. Centene provides high quality, whole health solutions for our diverse membership by recognizing the significance of the many different cultures our members represent and by forming partnerships in communities that bridge social, ethnic, and economic gaps. We believe that quality healthcare isn't just responding to an illness but empowering our members by providing them the tools to make informed decisions for better health outcomes. We offer options suited for each member's unique healthcare needs, whether through government programs like Medicaid and Medicare, or through the Health Insurance Marketplace. Our focus on whole health, including behavioral health, dental and vision, pharmacy, and more, is helping us change the world of healthcare and transform our communities.

Recruitment: Applications for internships are accepted whenever roles are posted on our jobsite between August-April. If you are looking for a full-time position, please apply closer to your graduation date. If the position requires a bachelor's degree prior to consideration, wait until that time or you will not be considered as meeting minimum requirements for the role.

Our general job site can be found at the following link:  
[www.jobs.centene.com](http://www.jobs.centene.com)

To search for internships and entry level roles, please navigate to the "Students & Grads" portion of the job site, found at:

CalOptima is the single largest health insurer in Orange County, providing coverage for one in four residents through four programs, Medi-Cal, OneCare Connect, OneCare and PACE. We are proud of who we are and what we've become. We were created by the community to fill a critical need, and now we are a model community health plan recognized for delivering access to quality care. CalOptima is also a prudent steward of public funds. About 96 cents of every dollar we receive goes directly to medical care. Our administrative costs are among the lowest in California, compared with other public and commercial health plans. At CalOptima, we take our mission to serve members seriously and strive daily to exceed their expectations.

Our purpose—to build trust in society and solve important problems—is at the core of everything we do. We provide professional services across two segments: Trust Solutions and Consulting Solutions. Within these segments we bring a range of capabilities to help organizations solve faster, solve more and realize more value. Trust Solutions brings together our Assurance and Tax Reporting capabilities, and Consulting Solutions includes a diverse range of solutions including Tax Consulting.

Recruitment: Applications are open now through the Bruin Actuarial Society Career Fair on October 10th! We recommend applying as soon as possible and have included the available opportunities we have below:

- [Management Consulting Intern - Actuaries - Summer 2024](#) - Client service intern positions are entry-level and job seekers are traditionally either in their 3rd year of a 4 year degree program or in the 4th year of a 5 year program. Client service interns typically join us during the summer prior to their intended graduation year.
- [Management Consulting Intern - Actuaries - Summer 2025 - Women's Consulting Experience](#) - The Women's Consulting Experience (WCE) program is eligible to students who self-identify as female and 1) are currently enrolled sophomores in a four-year degree program or juniors in a five-year degree program, and 2) are not current or prior PwC interns.

Office Locations: Professionals attending the BAS Career fair are from the Los Angeles and San Diego offices. We are actively recruiting for Chicago, Boston, and New York City offices.

Rael & Letson was established in 1963 for the purpose of providing actuarial and consulting services to both retirement (defined benefit/defined contribution) and health and welfare benefit plans. We also have a dedicated team that performs Other Postemployment Benefit (OPEB) valuations for our clients, which is somewhat unique in the industry. Our primary focus is, and has always been, consulting to multiemployer, Taft-Hartley plans. Nearly 80% of the plans that we consult to are multiemployer funds. For more information about our firm, please visit our website at [www.rael-letson.com](http://www.rael-letson.com).

Recruitment: We don't have a recruiting schedule – we recruit and hire as needed.

---

---

We currently don't have any open positions, but members can apply/submit their resume on our website ([www.rael-letson.com](http://www.rael-letson.com)). In addition, if a resume is provided at the career fair, we may reach out directly when we have future openings.

Office Locations: All four attending the career fair represent our San Diego office. We also have offices in San Mateo, CA, Seattle, WA and Honolulu, HI.
