

BAS Officers

Kristi Intara, President

Year: Senior

Major: Financial Actuarial Mathematics

Minors: Accounting, Specialization in Computing

Exams: P, FM, IFM

Work Experience:

- Pacific Life, Newport Beach (virtual)
- Liberty Mutual, Seattle

Additional:

- First Place in Sixth Annual BAS Case Competition
- Accepted full-time offer at Liberty Mutual

Note: Are you nervous about actuarial exams or recruiting? Are you trying to figure out if you're in the right major or if an actuarial career is for you? These were my concerns not too long ago, so I'm more than happy to give you guidance and encouragement!

Gavin Hu, Vice President

Year: Junior

Majors: Applied Mathematics, Statistics

Minors: Specialization in Computing, History

Exams: P, FM

Work Experience:

- Beam Dental, Columbus (virtual)

Additional:

- Did case comp related to P&C, Health and Retirement
- Received an offer from Liberty Mutual
- Just completed all the Major Requirements for one of my majors (Applied Math) last quarter

Note: Hopefully you like my profile picture haha! Please feel free to reach out if you have any questions about recruitment, exams, classes, or pretty much anything! You can also hit me up if you just want a cool, chill and fun person to talk to!

Gabby Ignacio, Director of Finance

Year: Junior

Major: Financial Actuarial Mathematics

Minor: Geospatial Information Systems and Technology

Work Experience:

- Cobec Consulting, Washington D.C.

Additional:

- 1st place 7th Annual Bruin Actuarial Society Case Competition
- Casualty Actuarial Society Summer Program

Note: If you're looking for a fun time, I'm the mentor for you. I can give you class, career, and life advice.

Roger Yuan, Director of Professional Dev.

Year: Senior

Majors: Financial Actuarial Mathematics, Statistics

Exams: P, FM

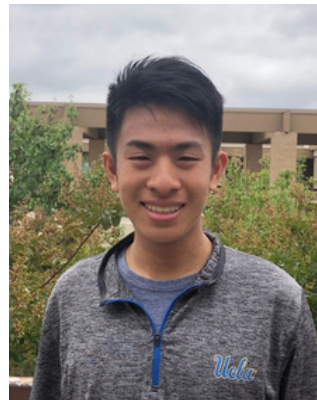

Work Experience:

- Cigna, Bloomfield (virtual)

Additional:

- 2019 BAS CSAA Case Competition
- 2019 SOA Student Research Case Study Semi-Finalist

Note: Happy to talk about actuarial exams/recruiting, UCLA classes, or any topics you're interested in! I understand the difficulties of juggling time between managing academics and building up experiences as a college student. I'd be happy to serve as a guide or a just another fellow Bruin to hang out with.

Erik Chen, Director of Internal Outreach

Year: Junior (graduating Spring 2021)

Major: Financial Actuarial Mathematics

Minor: Specialization in Computing

Exams: P, FM

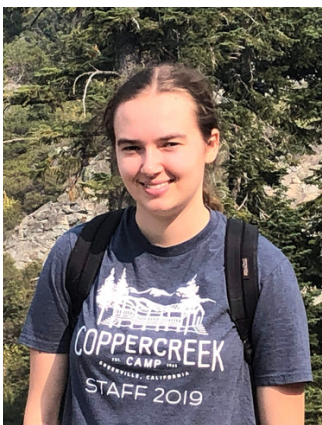

Work Experience:

- Milliman, Seattle (virtual)

Additional:

- BAS Case Competition 2020

Note: I'm happy to answer any questions you might have about the actuarial career, exams, or recruiting. If you are interested in actuarial consulting, I can provide some first-hand knowledge about the field.

Eva Mars, Director of External Outreach

Year: Junior

Major: Financial Actuarial Mathematics

Exams: P, FM

Work Experience:

- CSAA, Walnut Creek (virtual)

Additional:

- 1st place at 7th Annual BAS Case Competition

Note: I'd be happy to help students considering the actuarial field or looking at next steps with questions about the career, classes, exams, or anything else!

Non-Officer Seniors

Calvin Ng

Year: Senior

Major: Financial Actuarial Mathematics

Minor: Statistics

Exams: P, FM

Work Experience:

- California Department of Insurance, Los Angeles

Additional:

- Did the SOA Case Comp in 2019 and 2020
- Currently looking for a position after graduation

Note: I didn't get an offer for an internship until late into winter quarter so I know the feeling of not finding something quick. I'm familiar with the process and feel like I can help someone who is in a similar situation as I was in last year.

Cassandra Tai

Year: Senior

Majors: Financial Actuarial Mathematics, Statistics

Exams: P, FM, IFM

Work Experience:

- Allstate, Chandler (virtual)

Additional:

- First Place in Sixth Annual BAS Case Competition
- Accepted full-time offer at Allstate

Note: Please feel free to use me as an additional resource for anything that you need and I'll try my best to help, or I can just be another actuarial student you can talk to! If you're an introvert, don't worry! I can totally relate to your concerns and anxiety, and I want to let you know that you can do it!

Max Du

Year: Senior

Major: Financial Actuarial Mathematics

Minor: Specialization in Computing

Exams: P, FM

Work Experience:

- Allied Millennial Partners, NYC
- Deloitte, Beijing

Additional:

- BAS Case Comp 2019 and 2020, DataFest 2020
- Verbal full-time offers from 2 non-traditional actuarial firms
- Some interests: reinforcement learning, games, anime, cooking

Note: Reach out for any questions regarding exam prep, case comp, career advice, industry outlook, etc. Not an expert at everything but will for sure offer you my two cents! If you are international or out-of-state, I can also provide you with my own personal take on related issues.
