- By far the greatest TA I have ever had. She is so patient and kind. She also took the time to find the most important concepts and was the best.
- Cecilia was easy to reach outside of class. If I was ever unsure of a topic, I would ask her and she explained the material very well. Overall, Cecilia was a very helpful TA and played a major part in my understanding of the course material.
- Good TA, patient, neat hand writing which also makes a difference!
