- Ben did a great job, and everyone felt welcome when asking questions! Thank you!!

- Ben's discussions were honestly something I looked forward to. He created these really informative discussion sheets that he would go over in discussion that completely tied into the content of this class and were also perfect for when I went back and rewatched some lectures (because there were just so helpful). No complaints this discussion just felt perfect. Also went above and beyond to help us and give us extra ideas for further application and education.

- Great discussion sessions, all really good examples and detailed explanations.

- I never attended section

- great!

- he's really nice, funny, thorough, just a stand up kinda guy!
